<i>Offers hours to staff who would help any senior in need. So like a volunteer program for them. It would be incredibly helpful if the senior needed a meal too and would purchase that. Soup and salads and sandwiches. We have quite a high percentage of 65 plus who frequent our restaurant. So I was thinking of how we can do a win-win-win. I know the seniors aren't using the delivery food apps like our younger cliental. We make a simple meal delivery menu for them. Making that sale helps my business. And we get to give our staff hours. Then the staff member can also run errands for them as well.</i>
