## District Updates

### **Board Member Lyndes Appointed as Board Secretary of San Diego County Water Authority**

SDWD Director Joy Lyndes was elected as Secretary of the San Diego County Water Authority (CWA). Director Lyndes, a City of Encinitas Council member, was appointed to the CWA Board in December 2022 and serves as a board member of the San Dieguito Water District. Director Lyndes currently serves on the Legislation & Public Outreach and Water Planning & Environmental committees of CWA. She is a licensed landscape architect and a Fellow of the American Society of Landscape Architects. Read full press release [here](#).

### **Pressure Reducing Valve Improvements Project**

The Board of Directors awarded a contract to construct a new Pressure Regulating Valve (PRV) at the 1700 block of Caudor Street and make improvements to an existing PRV at Leucadia Village Court and Orpheus Avenue at its September 2024 meeting. The project will increase the reliability of the water system in the neighborhoods they serve. Construction is expected to begin in January 2025 and is not expected to significantly impact traffic in the project areas. Please contact SDWD Engineering at 760-633-2709 with any questions or concerns regarding this project.

### **San Dieguito Water District Completes Key Inspections, Ensuring Water System Integrity**

The San Dieguito Water District is proud to announce the successful completion of two critical inspections: the Encinitas Ranch North Reservoir Basin dive inspection and the Annual Cathodic Protection inspection on transmission mains.

### **Reservoir Inspection**

The Encinitas Ranch reservoir inspection, mandated by the California Department of Public Health's Division of Drinking Water and conducted every five years, revealed the basin to be in excellent

## **Resources & Programs**

### **Rebates & Incentives**

Residential, Commercial, & Agricultural Rebates. Find info at [socialwatersmart.com](http://socialwatersmart.com).

### **Water Use Surveys**

Complimentary virtual or in-person water-use surveys. Find info at [waterefficiencysurvey.com](http://waterefficiencysurvey.com).

### **Landscape Makeover Videos On Demand**

Step-by-step process of creating your very own water-efficient landscape. Find info at [watersmartsd.org](http://watersmartsd.org).

### **Voluntary Water Quality Sampling**

Join a list of candidates for SDWD's annual water quality sampling. Candidates will be chosen to provide SDWD with the best representative sample of the service area. If selected, staff will provide and collect water sampling kits for you to use at your home. Sampled customers will receive results.

has been serving coastal

condition. This positive outcome reaffirms the District's commitment to providing safe, high-quality drinking water.

### **Cathodic Protection Inspection**

The annual cathodic protection inspection of the District's transmission mains, guided by industry best practices and AWWA guidelines, focuses on the sacrificial anodes protecting our steel mains from corrosion. By monitoring these anodes, the District can proactively identify and address potential issues, ensuring efficient resource allocation and the continued reliability of our water system.

These successful inspections highlight the District's dedication to maintaining the highest standards of water infrastructure management, safeguarding the health and well-being of our community.
