- A. Pursuant to California Government Code Sections 34886 and 34871(c), Council Members shall be elected by-districts in four single-member districts. The Mayor will be separately elected by a citywide vote.
- B. 1. Beginning with the general municipal election in November 2018, Council Members shall be elected in the electoral districts reflected on the map contained in Figure 1 and as subsequently reapportioned as provided by State law. Elections shall take place on a by-district basis as that term is defined in California Government Code Section 34871, meaning one member of the City Council shall be elected from each district, by the voters of that district alone, except for the Mayor, who shall be elected citywide. In accordance with Section 2.20.015(A), and except as provided in Section 2.20.011, each Council Member, except the Mayor, shall serve a four-year term until his or her successor has qualified.
2. Except as provided in subsection (B)(3), the Council Member elected to represent a district must reside in that district and be a registered voter in that district, and any candidate for City Council must live in, and be a registered voter in, the district in which he or she seeks election at the time nomination papers are issued, pursuant to California Government Code Section 34882 and Elections Code Section 10227. Termination of residency in a district by a Council Member shall create an immediate vacancy for that Council district unless a substitute residence within the district is established within 30 days after the termination of residency.
3. Notwithstanding any other provision of this section, each of the Council Members in office at the time this chapter takes effect shall continue in office until the expiration of the full term to which he or she was elected and until his or her successor is qualified, except as otherwise provided in Section 2.20.011. Vacancies in Council Member offices elected at-large may be filled from the city at-large. At the end of the term of each Council Member, that Member's successor shall be elected on a by-district basis in the districts established in subsection A and the map contained in Figure 1 (Citizen Map 016), as subsequently reapportioned as provided by State law. A vacancy in a Council Member office elected by-district shall be filled by a person qualified to hold the office, who is a resident of the district.
