

# COASTAL MOBILITY & LIVABILITY STUDY

Working Group Meeting #4  
January 10, 2017  
5:30 – 8:30 pm\*  
Poinsettia Room, Encinitas Civic Center  
505 S. Vulcan Avenue, Encinitas, CA 92024

*\* Note this meeting is scheduled for 3 hours in the event we need extra time, however we will make an effort to complete all of the agenda items within 2 hours.*

## **Introductory Business**

**1. Agenda Review**

**2. Call to Order/Roll Call/Accept Meeting #3 Notes**

**3. Public Comment**

15 minutes are set aside at each meeting for oral communications. Any additional public comments will be received at the end of the meeting, time permitting. Note that a speaker may address the Working Group once per meeting.

## **City Briefings and Updates**

**4. Update on Wayside Horn Demonstration**

City and HDR Inc. staff will present the results of the Wayside Horn Demonstration Acoustic Monitoring Study. The presentation will include a brief overview of the wayside horn demonstration and the results of the acoustical monitoring that was performed as part of the demonstration.

*Desired outcome: CMLWG provides input and asks clarifying questions to assure the Council presentation is complete.*

## **WSP | Parsons Brinckerhoff Working Session with CMLWG**

**5. Draft Early Action Recommendations: Quiet Zone Recommendations, Crossings at El Portal and Montgomery**

Presentation overviewing recommendations related to the potential implementation of a Quiet Zone in the City of Encinitas, and the crossings at El Portal and Montgomery

*Desired outcome: CMLWG provides input on the draft Early Action Recommendations and the WSP|Parsons Brinckerhoff team responds to questions and considers input from the CMWLG regarding the draft recommendations.*

# COASTAL MOBILITY & LIVABILITY STUDY

Working Group Meeting #4  
January 10, 2017  
5:30 – 8:30 pm\*  
Poinsettia Room, Encinitas Civic Center  
505 S. Vulcan Avenue, Encinitas, CA 92024

## 6. **CMLWG Feedback: Coastal Mobility and Livability Study (CMLS) Initial Outreach Summary and Draft Guiding Themes**

Several CMLS outreach activities were completed in October and November, and the PlaceSpeak platform was open until early December. Draft Guiding Themes have been developed based on community input received regarding key planning issues. These Guiding Themes are intended to help direct technical work on the study as we move forward.

A brief presentation will be made, overviewing CMLS outreach completed to date for Round #1, input received, and the Draft Guiding Themes. In breakout sessions, Working Group members will provide feedback on the Draft Guiding Themes. Note that Working Group members will be provided with the Draft Guiding Themes, prior to Working Group Meeting #4.

*Desired outcome: CMLWG to discuss and provide focused input on Draft Guiding Themes prior to presentation of these themes to City Council. CMLWG asked to provide feedback whether the outreach activities have been sufficient to address CMLS issues and opportunities and Draft Guiding Themes.*

## **Meeting Wrap Up**
