Subject: City of Encinitas Housing Element Assistance – Contract Amendment

Dear Mr. Ranu:

Veronica Tam and Associates, Inc. appreciates the opportunity to provide assistance to the City of Encinitas with the Housing Element update.

We are currently contracted for \$9,900 for this assistance. As of August 26, 2015, we have invoiced the City \$8,700.68, with another \$385 to be invoiced at the end of this month, leaving a balance of about \$814. Based on our discussions, we understand that the City would like VTA to continue assisting in the Housing Element process. Specifically, we will provide peer review of the Draft Housing Element, ongoing technical assistance to staff, help facilitate HCD review of the Draft Housing Element, and potentially attend public meetings to address technical questions from the appointed/elected officials and the community.

We are therefore requesting a contract amendment for an additional \$3,000. Services will be provided on a time-and-materials basis at the following rates:

Veronica Tam, Principal	\$140/hour
-------------------------	------------

This budget is only an estimate, with an amended not-to-exceed amount of \$12,900. Reproduction work will be performed by the City. Invoices to the City will include a brief description of services rendered under each of the categories outlined in paragraph 2 of this letter.

Please let me know if you have questions or require additional information.

Sincerely,  
  
Veronica Tam, AICP  
Principal
