Project Location

Project Location

Site History

- 1975: The County of San Diego approves a new Cardiff Sea Village subdivision
- Subdivision approval includes a requirement to only allow Emergency Access between Crest/Wales and that a barrier be installed “to prohibit any thru traffic”.

Site Background

- 2/26 – Lake Drive closed, emergency detour established
- 5/17 – Public Hearing
- 7/12 – Lake Drive re-opened, detour closed

Gate Style Concepts

EXAMPLES
