ALARM PERMIT FEES & INFORMATION

An Alarm Permit shall be required for any business or residence which utilizes an alarm system. This permit is intended to allow for reasonable regulation of alarm systems in order to protect the safety and welfare of the residents of the City. Approved permits are valid until there is a change in location or ownership of the property. A change in location or ownership requires a new application.

The following entities are exempt per Municipal Code 6.30.010: Municipal, County, State and Federal Agencies, Banks and Schools.

Fees associated with this application are non-refundable.

Fees

Application Fee: \$118 per alarm system
