

The City of Encinitas
Invites you to attend a:

NEIGHBORHOOD MEETING OLIVENHAIN TRAIL ENHANCEMENTS

The proposed enhancements consist of the installation of a post and rope railing along the east parkway of Rancho Santa Fe Road between Lone Jack Road and 13th Street in the City of Encinitas. The City applied for and received during the first half of 2023 several grants from the California Department of Parks and Recreation Office of Grants & Local Services (OGALS). One of these grants was to enhance the Olivenhain Trail along Rancho Santa Fe Road from Lone Jack Road to Olivenhain Pioneer Elementary School to promote multi-modal transportation alternatives and better delineate the trail from the roadway. This section of the trail is well-trafficked by schoolchildren heading to Olivenhain Pioneer Elementary School and Diegueno Middle School, in addition to equestrians, walkers, and bikers from throughout the community. The \$150,000 grant the City received for this project will fund the installation of the railing along a portion of the trail.

During the Neighborhood Meeting, the City would like residents to provide their opinion on the type of railing that they would like to see installed to delineate a trail adjacent to a roadway. The two available options are composite or post & rope. The pros and cons of each type will be discussed at the meeting. In the past the City has installed railing adjacent to a roadway consisting of a composite material. However, in recent years various agencies in the region have elected to install post and rope railing as a safer alternative.

Meeting materials, including railing options and design, and electronic comment feedback form will be available for viewing on the Engineering Department Public Notices website prior to the meeting at the link below:

<https://www.encinitasca.gov/government/public-notices/engineering-public-notices>

We look forward to meeting you and discussing any concerns or questions you may have regarding the proposed project. If you are unable to attend or have questions prior to the meeting, please contact Project Manager Carlos Baldenegro by email cbaldenegro@encinitasca.gov, by phone at 760-633-2763, or by mail at 505 S. Vulcan Ave, Encinitas, CA, 92024 to provide your input.

The Neighborhood Meeting will be held on:

**WEDNESDAY, MARCH 6, 2024
6:30 PM– 7:30 PM
AT
OLIVENHAIN MEETING HALL
423 RANCHO SANTA FE ROAD
ENCINITAS, CA 92024**
